

Nicole Petschek

Personal Profile

Associate Consultant

Nicole Petschek is a highly motivated results orientated coach, dedicated to helping her clients implement and absorb the necessary techniques and mental tools which allow them to automatically create **their** desired future according to **their** goals and wishes.

By assisting her clients to look at situations in ways they never have previously, they are then able to align their vision and thoughts for a constructive and positive goal attainment.

Nicole is very hands-on and supports her clients on a daily basis. Her coaching is supportive, pro-active and positive.

Whether your issues are financial, relational or health related it all starts in your mind. And that is where Nicole teaches, guides and works with you. She refocuses your attention to what you want most in life and then helps you attain it.

Nicole Petschek is completely bi-lingual in English and French and coaches many of her individual clients worldwide using the free download facility of skype & webcam.

She is a certified practitioner of:
